

ZIPPERED GARMENT COVERS

Make a lasting impression with customized garment covers.

The perfect premium give-away for clothiers, department stores, dry cleaners, tailors, hotels and hospitals.

The finest establishments project quality in everything they do. That's why they package their apparel in garment covers rather than inexpensive transparent polyethylene bags.

Attractive and sturdy garment covers enhance your image at a low cost. They're a 'value-added' extra that do more than keep clothing neat and free of creases. They show customers you take pride in your merchandise and care about their comfort and convenience.

The custom logo imprint acts as an advertisement. And, because covers are ideal for long-term storage, your name stays "top-of-mind" every time your customers reach into their closets. We offer sizes for men and women, a range of finishes, colors and styles to match any store motif. Custom imprinting is available in a variety of colors.
